Hi, my name is Tap-Tap. I am a raindrop. When I drop to the ground it's my time to shine. As I bounce up and down I create wonderful music! I have the biggest family in all of Raindrop Land. Almost half of the raindrops in Raindrop Land are in my family. My family is the maker of the wonderful "tap, tap, tappity" you hear when it rains. The next time it rains, think of me and my musical family!
