

2009 WLC Student Essay Contest Finalist
Bryant Parnell
Grade 5
Marion Intermediate School – Marion, AR
Teacher: Barry Bates

I imagine...living and breathing music.
Taking and digesting it as if it were a new sight.
To hold it as if it were a new born baby
And to sing, and to make music like no other.
I imagine making music fill a room and water eyes.
Because I am the dreamer of the dream,
And with music, I can just imagine!
